The Chairman reported receipt of an email from Mrs Shelia Dunn, sadly advising that John's health has deteriorated and therefore will not be rallying anymore. She has put their Motorhome up for sale but hopes to be able to visit now and again if a Rally is on nearby. The Chairman advised that the Hon Secretary received a call from Mr David Lush during the week advising her that Mrs Webb from the Somerset Centre has passed away. Incidents of possible dog fouling on the Rally Field and ignorance of the intent of the Yellow Flag had been brought to his attention. Rally Secretary's Report

Correspondence –

Phil reported that he had received a letter from the Gloucestershire Centre regarding the Family Link-up asking if the Wiltshire Centre could host the 2011 event as there was a Wedding taking place that weekend that most of their Members would be attending. It was agreed by the Committee that the date be moved by a week so that the Gloucester's could still host the event. Phil will respond accordingly.
