Centre Grant - The Treasurer advised that he had received a response letter from Club regarding his letter referring to the Centre Grant. The Treasurer stated that he needed to further consider the relevant expenditures from 2005 to date to further a case for pursuing the inadequacy of the Grant level to cover the stated necessities.

Website - Simon will be out of the Country for a couple of weeks on work related business and so no updates will be made to the website.

Photos have not been forthcoming since the requirement for CD submissions was made. Photos can now be provided by email again but once posted, Simon will be unable to store them due to the space on his computer being limited.

Wessex - The Chairman thanked Katie for coming forward as Fancy Dress Coordinator. A Football Coordinator is still required.

The Wiltshire Centre has seven vans booked in the Wessex so far (out of a total of 61). The Wessex Presentation Report, as provided by Steve Greenfield, was presented. Entries at this time are not encouraging.

A venue for Sports Practices is still being sought.

South West Region - Mark advised he had an enjoyable time representing the Centre at the South West Region (Meet the Members).

The Chairman advised that the other Centres of the Region had asked him for copies of the CRB checks he had written for the Wiltshire Centre. These have been distributed.

Juniors - The Chairman advised the Committee that we are unable to force the Junior Committee to write the Minutes or indeed anything else. The parents are relied upon to encourage and guide their child to take part in such activities in what may be important for them later on in their lives, especially when it comes to being interviewed for a job.

The Chairman referred to CRB Checks. If this is approved, then maybe we can incorporate more activities for the Juniors on the Rally field during weekends such as football, nature trails and fun and games. A little encouragement to carry out spontaneous actions for Charity (such as collection of water for a £1.00) may endear them to the adults on the field who would in turn support their endeavours more readily.

Use of Generators on the Rally Field - A number of incidents and subsequent complaints relating to the use of Generators on the Rally Field led to a full debate within Committee. Research was also undertaken into the rules regarding use of Generator within other Centres. Based on this research, and not wishing to ban their use outright, a proposal to temporarily amend Rule 27 with immediate effect and until ratified or discussed at the 2010 AGM was presented and accepted unanimously by the Committee. Full details of the Rule 27 amendment and the finer details behind the Rule (for guidance) are presented on the Website and Flagpole Noticeboards.

Fellowship Plaques - The Chairman had received the new Fellowship Plaques from F M Tags. He passed a sample around to the Committee. All agreed that the design was much better than the previous one and that it was not necessary to change anything on it. The Committee accepted the plaque unanimously.

AGM Date 2011 - The Chairman informed the Committee that The Caravan Club has requested that all Centres change their AGM dates because they are clashing with the AMM and the Caravan Show. The Rally Secretary is checking whether the 7th-9th October is a suitable date. All Committee present agreed.

Centre Committee Rally 2011 - The 6th -8th June 2011 is available at Burbage for the Committee run rally, incorporating a Rally Officers Workshop.
