Dinner Dance

Mark advised that he had looked at Lackham College for the 2011 Dinner Dance venue and stated they would be happy to accommodate us, but the venue would have to be held in the summer, as the College would not like the Caravans parked on the grass. Mark stated that he has looked at several places and most of them would be away from the Rally field stating that we would have to use buses etc to get to the venue. The Chairman advised that he feared we may lose this annual event altogether if we do not try to find something suited for everyone. At present it would appear that the members will have to pay the same price or more, for fewer facilities offered at other sites.

Fran advised the Committee if they would consider looking into an act she has previously seen and found them very entertaining. The Chairman asked if Fran could investigate what prices they were charging and bring this to the Committee at the next meeting.
